

# SUPPORT FOR EARLY CAREER RESEARCHERS

## INFORMATION EVENT

### INFORMATION ABOUT SERVICES AND ACTIVITIES

Join us for the **lunchtime information session** and discussion on career support and work-life-balance with representatives from the

- **Research Strategy Department & Research Service Center**
- **Equal Opportunities Office**
- **Goethe Graduate Academy (GRADE).**

The Goethe University offers a wide range of services, activities and support for early career researchers, from doctoral and postdoctoral researchers up to newly appointed group leaders. We provide high quality career trainings, promote equal opportunities and help to improve the compatibility of scientific careers with family life.

We kindly invite interested researchers working at Goethe University, women and men, mothers and fathers, to join in.

We will present our services in short talks, followed by an open Q&A session, in which we would also like to hear your suggestions.

Afterwards, all speakers will be available for discussions in smaller groups. The presentations will be held in English, but we are happy to continue the discussion in German, too.

Bring your brown bag lunch and we'll bring the beverages & cookies.

- **CAMPUS WESTEND**, Seminarhaus, Room 3.105
